Please let us know your preference of sites and your camp director will do their best to meet your preference. It is not, however, possible to guarantee a site. Campsites are occasionally reassigned just before you arrive, based on order of reservation and other factors to best fit all campers in the camp. Final campsite assignments will be determined at camp.</p> <p>Can we share a campsite with another unit? Yes, units can share a campsite. Please indicate on the reservation form the number of the other unit so we can match you up. (Girl Troops and Boy Troops may NOT share a campsite).</p> <p>Can we have guests visit us at camp? Yes, daytime guests are welcome to visit camp. Please ask them to check in at the camp office and pay for any meals they will consume while visiting.</p> <p>Can siblings come to camp with their sibling? What about other youth? Camp is restricted to registered Scouts. National standards do not allow siblings or non-registered youth to stay in camp. They may visit for a day, but not overnight.</p> <p>A Scout from another unit wants to join our troop at camp. Can they? Individual Scouts may join another unit for the camp session provided they make a separate reservation under their own unit number. Indicate the unit numbers on both reservations so we can match you up in the same campsite.</p>
